3. This application is not acceptable unless all required statements have been made. Additional information may be supplied on a separate sheet if the space provided is not sufficient.

A CONDITIONAL USE PERMIT may be granted by the Planning Board (RSA 674:21,11) for the construction of roads and other access ways, and for utility pipelines, powerlines, and other transmission ways provided that all of the following conditions are found to exist. Please submit the facts supporting this application in respect to the following:

a. The proposed construction is essential to the productive use of land not within the Wetlands Conservation District.

b. Design and construction methods will be such as to minimize detrimental impact upon the wetland and will include restoration of the site as nearly as possible to its original grade and condition.

c. No alternative route, which does not cross a wetland or has less detrimental impact on the wetland is feasible.

d. Economic advantage alone is not reason for the proposed construction.
